This player does not have to play. If a player can provide a valid Doctor's Note for games missed, these games may be counted for statistical purposes, without the player being present at the game.
2. Each team will be responsible to maintain their records of Playoff Participation. The qualifying list will need to be submitted to the Executive at the end of the regular season and prior to the start of playoffs. The Executive will then send out the Qualifying List to all teams for reference. Any Teams found placing a player, who is not on the Qualifying List or has altered the true participation number of a player, will forfeit any further scheduled games in the Playoffs. Additionally, **all score sheets must be properly identified with Date, Score, Team Names and Player Names as they appear on the SPN roster to be considered an official record. Score Sheets without all proper information may be rejected as official records. during the game, may forfeit any affected games or may have those games not counted for statistical purposes at the discretion of the Executive.

5. Home team is required to submit their scores via text or email to the MLSPL Vice President on the same night the game played by midnight. In the case of a tie, both teams shall submit the scores. Note; the League Waiver must be handed in to an Executive Member prior to any player playing on MLSPL diamonds that are assigned a permit number by the city of Mississauga. It is recommended that League Waiver's are handed in at the time of Team Registration and/or single entry registration fees. If a team is found attempting to break this By-Law again, within the playing season, will receive an automatic suspension for the remainder of the season.

 - a) The home team must provide the Umpire with one new league approved softball prior to the commencement of each game. The visiting team must provide a good second ball. Home team is the first team listed on the schedule. The home team has the option of forfeiting home team advantage if they only

have 8 players with their ninth player knowingly on the way to the game. If after 3 outs or the team goes through their batting order and the ninth player has not arrived, a default will occur. **THE HOME TEAM WILL NOT BE PERMITTED TO FORCE THE VISITING TEAM WITH 8 PLAYERS (WITH THE NINTH ON THE WAY) TO TAKE HOME FIELD ADVANTAGE, THUS FORCING A DEFAULT.**

- b) **The home run rule is now match +2, over the fence only.**
- c) If a player is injured on the field and must be removed from the game, that player is considered a scratch. Next time that player's name appears in the order, there is no penalty and they just move to the next batter.
- d) **Both teams must have in their possession a set of regulation bases, photo ID and their player book, which includes the team roster and team waivers. These must be brought to every game.** The home team will be responsible for laying out the bases, in consultation with the Umpire, prior to the game. If the home team does not provide a set of regulation bases, the home team must forfeit being the home team. If the visiting team puts down the bases, they become home team. If neither team can provide bases, it will result in both teams defaulting (double default).
- e) "Uniforms" will consist of team shirts that are matching in colour and style. The shirts must be worn by every player. **All teams must be in matching "Uniforms" by July 1st.** Any player not in matching uniform by July 1st shall be ejected from the game.
- f) "MATCHING" will be interpreted as "having the same body colour and shade and the same sleeve colour and shade"; the BODY COLOUR and SLEEVE COLOUR do NOT have to be the SAME. Stripes will NOT be interpreted as a colour and should be ignored when determining if uniforms MATCH. The option of a Sleeveless Shirt is available but the available styles must be approved through the Executive.
- g) There will be **NO** consumption of alcoholic beverages on the park premises or at the surrounding private properties. Umpires shall have the right to check cups, containers or any other vessels on a team's bench for alcohol. Umpires shall have the discretion to eject a player, coach or entire team for alcohol consumption contravening these rules. Additionally, Umpires shall have the discretion to apply a default to one (1) or both games against an offending team and also to assess the League default fees. It is imperative that at all times **players, coaches, fans, team representatives, bat boy/girls, etc.** must conduct themselves in an appropriate manner to ensure the respectability and integrity of the league and its members. **FAILURE TO CONFORM** (individual and/or team) **MAY RESULT IN EXPULSION FROM THE LEAGUE at the discretion of the Executive.**
- h) Notice of proposed amendments to the Constitution and By-Laws must be handed in to the Executive Body by a date set by the Executive. The President

must notify each established team of the proposed Constitutional and By-law amendments, fifteen (15) days prior to the AGM.

- i) Teams, coaches and players of the MLSPL found breaching provision of the Constitution and By-laws will be held liable to the League Executive and/or Disciplinary Committee and will be dealt with accordingly.

4. Protests:

- a) Protest Procedure in addition to Article D 4b and 4c -- Any team protesting must alert the umpire that they intend to protest but then continue to play the game at hand. The Team Representative should then notify the League Executive in writing, post-marked or emailed, within 48 hours of the completion of the game. The opposing team will be notified by the League Executive within 48 hours of the receipt of the written protest, and will be provided with a copy of the submitted written protest. The opposing team will be provided with an opportunity to comment on the protest to the League Executive. The League Executive will review the written protest and comments of the opposing team and, if required, will make a decision based on the information provided by both teams. A cheque or money order for \$50.00 payable to the MLSPL must accompany each protest. This fee will be returned if the protest is upheld. If the protest is turned down, the fee remains the property of the MLSPL.
- b) Any team protesting an Umpire(s) must follow the Protest Procedure noted in Article D 4a The League Executive will forward the protest to the Umpire-In-Chief for his decision. The League Executive reserves the right to make any or all-final decision on the eligibility of the Umpire to resume his league duties. Note: An Umpire's judgement call cannot be protested.
- c) Any protest involving eligibility of a player, coach or manager, must be made to the plate Umpire at the time of the infraction and before play resumes Both the Team Representative and the Umpire have the authority to request that any team produce a roster, waiver of responsibility form and photo ID as proof of eligibility for a player in question. Failure to produce the appropriate forms and photo ID will result in that player being ineligible for the game, if challenged up to the start of the third inning. Any player participating in a game without appropriate registration is an ineligible player; which means the team defaults the game, and both the player and the team may be subject to additional discipline.
- d) The Appeals Disciplinary Committee and/or League Executive will pass motion on all protests for a final decision. Any decisions made by the League Executive shall be final and binding. Where the protest involves a team on

which one of these committee members or League Executive plays, that member must absent herself from any decision in the protest.

5. Games:

- a) League games shall be comprised of seven innings OR 1 hour and 10 minutes of play, whichever comes first, unless called by the Umpire due to weather conditions, injury or the mercy rule. A team unable to field nine players at the commencement of the game will be given ten minutes grace to provide the additional players needed. If, at the end of these ten minutes the team is still unable to provide nine players, they will default the game to the opposing team. Home team has the option of giving up home field advantage, in lieu of starting at bat with 8 players, provided the 9th player is on the way. If a team defaults the first game, they shall then have 30 minutes to field a team for the second game before a default is declared.
- b) Playoff games shall be comprised of seven innings OR 1 hour and 30 minutes of play, whichever comes first, unless called by the Umpire due to weather conditions, injury or the mercy rule. A team unable to field nine players at the commencement of the game will be given ten minutes grace to provide the additional players needed. If, at the end of these ten minutes the team is still unable to provide nine players, they will default the game to the opposing team. Home team has the option of giving up home field advantage, in lieu of starting at bat with 8 players, provided the 9th player is on the way
- c) All teams must be notified each season as to exact start and finish times, in accordance with planned schedule for that particular season.
- d) The length of a regular season game is set at 1 hour 10 minutes and no new inning can be started after 1 hour and 5 minutes of play.
- e) The Mercy Rule for the Sharon Power Division only is 20 runs after 4 or 12 runs after 5 complete innings. There will be a Mercy Rule in the playoffs.
- f) The Mercy Rule for the Diane Swan and Hazel McCallion Divisions is 12 runs after 5 complete innings. There will be a Mercy Rule in the playoffs.
- g) The Commitment Line and Scoring Line will be used during all MLSPL games, both regular season and playoffs.
- h) ANTICIPATION STEP IS PERMITTED. A base runner may not leave the base until the ball has crossed home plate. The base runner must return to the base prior to the next pitch. Failure to return to the base prior to next pitch or if runner leaves base before the ball crosses home plate, the runner will be called out. If a base runner is constantly in violation of this rule a Team Rep may request that the Umpire pay closer attention to the base runner in question.
- i) A game called by the Umpire, during regular season play and playoffs, which cannot be completed due to inclement weather, is considered a complete game after 4 innings of play (3 1/2 innings if home team is ahead). Incomplete games will be played from the start.

- j) If a game is tied at the end of seven innings, no extra innings will be played (except in playoffs, at which time the International Tie-Breaker rule comes into effect.).
- k) Rulings concerning the above are to be judged by the Umpire, according to the guidelines of these By-laws.
- l) Teams in all divisions will be entitled to **7** courtesy runners per game, runners can be the same player each time. There are no exceptions to this rule unless a runner is injured while running the bases. There are no extra courtesy runners for players 60 years or age and older.
- m) Hair Accessories and Jewellery: Elastics or Scrunchies are the only hair accessories permitted. Jewellery may be worn at the discretion of the umpire. Final decision rests with the umpire. A player asked to remove jewellery who refuses to comply will be subject to automatic ejection from the game.
- n) No player who is knowingly pregnant may play in any circumstances.

ARTICLE E – Rainout Policy

- a) The City of Mississauga may cancel permits to play on certain fields based on amount of water retained on the fields in previous days. This call is made by the City official by 2pm in the afternoon. In this case, the Executive will notify all Team Representatives to advise that the fields are not playable as soon as possible after receiving the call from the City.
- b) If notification of cancellation is not received by 3pm, all teams are required to show up at the diamond regardless of weather. If the first series of games is cancelled, the Umpire will remain at the diamond until teams for the second set of games are present, at which time the Umpire will again decide on the suitability of conditions for the second set of games. Failure to show up will result in a default and fine. Umpires will contact an Executive Member for any and all rainouts.
- c) Rained out games will automatically be counted as a split between the teams if both games are rained out. If only one game is rained out, it will be counted as a tie. Games may be rescheduled at the discretion of the Executive if the final standings will be significantly affected.

ARTICLE F - Defaulted Games:

1. Teams who know in advance that they will be unable to field a team can avoid a default fee if they notify at least 2 Executive Members 24 hours prior to scheduled game time.

2. A team will be fined \$50.00 for a single defaulted game. Should a team default a single game for a second time, they will be fined \$50.00 and must appear before the League Executive and/or the Appeals Disciplinary Committee to show just cause why they should not be ejected from the League. The default fee MUST be paid within 2 weeks from date of infraction.
 - a) A team will be fined \$75.00 for a double-header default. Should a team default a double header for a second time, it will be fined \$100.00 and must appear before the League Executive and/or the Appeals Disciplinary Committee to show just cause why it should not be ejected from the League. The default fee MUST be paid within 2 weeks from date of infraction.

In either of the above cases, a third default may bring ejection from the League after a decision of the League Executive and/or the Appeals Disciplinary Committee.
 - b) Teams will forfeit any games following the 2 week assigned limit for default fees unpaid. There will be NO extension or exception to the rule noted above.
3. The score for all defaults will be recorded as a 7-0 defeat for the team in default of the game.
4. To avoid a default, teams may use as many players from another team within their own division OR from a lower division team to field a team of 9, not 10. These “call up players” should wear her own team’s jersey and be signified on the score sheet as a call up. This player is to bring the team to 9 players for that game(s), not 10. The call up players are to play the first game regardless if the original team’s player arrives to play or not. The second game is at the discretion of the team rep.

ARTICLE G - Standings and Playoffs:
